The sense of belonging and of co-responsibility also involves the economic aspect of the Association. For its functioning and for the actualization of the mission at the Local, Provincial and World levels, the Salesian Cooperators support the Association with free and generous contributions, as Don Bosco wished: "The Cooperators have no monetary obligation whatsoever, but they will make monthly, or annually, that oblation which the charity of their hearts will tell them.

(Article 8 Economic Solidarity Section 1)

Once again thank you very much for all you do and the contributions you make to the council
